

the fruit of this house?  
The mouse has run away  
again with the rice.  
The hot water from the hose  
stealing down the yard  
sweeping away with it  
another word  
& empty snail shells.  
The neighboring pecan tree  
fatty & filling.  
The kitchen drawers  
thick with knives & hunger  
roaches' eggs  
peeling in the dark.
